

SNOW PUSHER WITH PULL BACK BLADE

Since 1956 - Depuis 1956

- Our snow pushers with pull back blade are distinguished by their **rugged** design and unrivalled **durability**
- The pull back blade allows you to clear snow near garage doors quickly and safely
- Quick and easy maintenance with bolted wear parts (reversible blades)
- Adaptable to all types of loaders (quick coupler or pin on)
- Customizable to your needs
